## Harry Potter statue

1117

When I heard about idea to put up of statue of a fictional character from an English-language book I decided that it should be a Harry Potter statue.

This character appears in collection of books "Harry Potter" which was written by Joan Rowling. She is an English <sup>successful</sup> author. Firstly, Harry Potter was a good student and he will motivate members of our English-speaking club study better. Secondly, Harry Potter was very kind to his friends. Also, he was polite to teachers and other school workers. In our English-speaking club every body trying to be kind to each other like Harry Potter. So. Finally, every ~~body~~ member of our club have read this book about Harry Potter and they will be glad to see statue with character ~~& that~~ who they know. I think that Harry Potter statue should look like Harry Potter is holding a book and reading.

The writing area of the page is ruled with horizontal lines. A large, hand-drawn red 'X' mark spans across the entire writing area, from the top margin to the bottom margin, and from the left margin to the right margin. The 'X' is formed by two intersecting diagonal lines.
