## A statue to Sherlock Holmes.

Somewhere you can observe a statue that demonstrates a fictional character. Certainly, there are a lot of books with a wonderful plot and great characters that people admire. There is no surprise that we can create a statue to one of them.

Sherlock Holmes is a character of the works written by Arthur Conan Doyle. It seems to me that Sherlock Holmes could be an ideal fictional character to put up a statue. <sup>The</sup> <sup>e</sup> "Adventures of Sherlock Holmes" is a very famous book consisted of many short stories. This character is <sup>extremely</sup> ~~very~~ popular among people. He is brave and brilliantly smart. Moreover, he saved many people in difficult situations. Furthermore, he caught many dangerous criminals. More than that Sherlock Holmes is a wonderful example of productive mental activity, to follow. That is why, I think, it is necessary to create a statue to this <sup>fictional</sup> person.

I consider that the statue should be very

big and impressive. I see Sherlock Holmes sitting in an armchair and thinking deeply about something exceedingly difficult. For me, this is a true image of my favourite character Sherlock Holmes. ~~He is~~ I suppose he is a great role model for the modern and future generations.
